

SHOW BOWEL CANCER  
THE DOOR.

When you find bowel cancer early doors it can often be cured. But because the early signs are usually hidden, the best way to find it is to do a simple home screening test. Everyone aged 50-74 is sent one, every two years. If you haven't done one for two years you can get one by calling **0800 0121 833** or visit **[bowelscreeningtest.org](http://bowelscreeningtest.org)**

BOWEL CANCER. DON'T TAKE A CHANCE. TAKE THE TEST.
